

## **REVOCABLE LICENSE AGREEMENT**

---

**THIS AGREEMENT**, made this \_\_\_\_\_ day of \_\_\_\_\_ 2017, by and between:

**CITY OF POMPANO BEACH**, a municipal corporation of the State of Florida, hereinafter referred to as "CITY,"

and

**HARBOR VILLAGE ISLAND CIVIC ASSOCIATION, INC.**, a Florida corporation, hereinafter referred to as "LICENSEE."

### **WITNESSETH:**

**WHEREAS**, CITY is the owner of the right-of-way located near the bridge on NE 27<sup>th</sup> Terrace, Pompano Beach, Florida ("Project"); and

**WHEREAS**, CITY has agreed to permit LICENSEE to use a portion of said right-of-way, for the restricted use specified below involving the construction and installation of private traffic arms and video equipment; and

**WHEREAS**, the parties have agreed to enter into a Revocable License Agreement in relation to the restricted use of said right-of-way as set out below.

**NOW, THEREFORE**, in consideration of the foregoing and mutual covenants and conditions hereinafter contained, it is agreed by the parties hereto as follows:

#### **1. DESCRIPTION OF PROPERTY.**

CITY hereby grants to LICENSEE, the revocable right, license and privilege of occupying the east and west side portion of the NE 27<sup>th</sup> Terrace bridge right-of-way area, a legal description of which is set forth in Exhibit "A," attached hereto and made a part hereof ("Property"), for the construction, installation and maintenance of private traffic arms and video equipment ("Improvements"), which is depicted in detail on Exhibit "B," attached hereto and made a part hereof.

## **2. TERM.**

The term of this license shall run in perpetuity provided the LICENSEE continues to maintain the Improvements in good operating condition as determined by the CITY and the surrounding Property in substantially the same condition as it existed prior to the Improvements being installed by Licensee and also as reasonably determined by the CITY. Should the CITY reasonably determine that the LICENSEE has failed to so maintain the Improvements, that a higher municipal use is required of subject Property or that the public's health, safety or welfare is at risk then LICENSEE shall be notified to cease use of the Property as it relates to the installation and maintenance of the Improvements. Notice shall be sent in writing, in accordance with Paragraph 11 hereof, sixty (60) days prior to termination.

## **3. USE OF PREMISES.**

LICENSEE shall use and occupy the right-of-way for the installation and maintenance of private traffic arms and video equipment, which is depicted in detail on Exhibit "B."

The Property shall not be used for any other purpose whatsoever without written consent of the CITY. LICENSEE shall not permit the licensed Property to be used or occupied in any manner that is inconsistent with the use granted herein and which will violate any laws or regulations of any governmental authority. The LICENSEE shall at all times, with the exception of when work is being done as approved by the City, keep and maintain Property in as good of a condition or better than prior to the Improvements. LICENSEE shall provide documentation (such as pictures, video, topographic surveys) to City Engineer to establish the conditions that existed within the Property prior to construction. Any and all damage caused as a result of such installation of the Project Improvements to any elements, including, but not limited to pavement, curbs, sidewalks, landscaping, trees, irrigation, utility poles, etc. located within the public right-of-way shall be restored or repaired to a condition equal to or better than that existed prior to commencement of installation of said Project Improvements. This shall include any subsurface features such as water service lines, utility access lines, covers, water meter boxes, water isolation valve systems, sanitary sewer cleanouts etc. that may deteriorate as a result of removing asphalt,

base materials, compaction, paving operations etc. LICENSEE shall be responsible for verifying all underground utilities prior to digging in any area. LICENSEE shall notify all necessary utility companies, 48 hours in advance prior to digging for verification of all underground utilities, irrigation and any other obstructions and coordinate prior to initiating operations. LICENSEE agrees that this license is contingent upon LICENSEE submitting a site plan or location plan and blueprints or other documentation as is usually required by the Engineering Department for the issuance of a permit and granting of this license does not in any way waive any other building or construction ordinances, fees or requirements of CITY. LICENSEE shall not commence construction or occupy the right-of-way for construction purposes prior to approval of the permits.

#### **4. ASSIGNMENT.**

LICENSEE is not permitted to assign, transfer, convey or otherwise dispose of this license to any other person or corporation without the previous written consent of CITY, except to a transferee of fee title to the Project ("Transferee"). In the event of an attempt to assign, transfer, convey or otherwise dispose of this license to any person not a Transferee or specifically a party to this Agreement and license, then this license shall be null and void and terminated without notice to LICENSEE.

#### **5. MAINTENANCE.**

LICENSEE agrees to at all times maintain and repair at their sole cost and expense said private traffic arms and video equipment, as described in Exhibit "B," in good working condition, to be reasonably determined at the sole discretion of the CITY, while occupying the use of CITY's Property pursuant to this Revocable License Agreement. Construction activities shall not commence until LICENSEE submits to the Engineering Department a maintenance of traffic plan for approval should one be required as determined by Engineering Department. LICENSEE assumes all risks in the operation and maintenance of the Project Improvements on the Property and shall be solely responsible and answerable for damages related to all accidents or injuries to person or property arising out of or caused in connection with this

Agreement, the Improvements or in the performance of any of the work done pursuant to the Agreement regardless whether by the LICENSEE or one of its Contractors.

**6. INDEMNIFICATION.**

LICENSEE shall indemnify, defend and hold harmless the CITY and its officers, agents and employees from and against any and all claims, loss, suit actions, damages, liabilities, expenditures, or causes of action, including attorney fees, of any kind arising out of LICENSEE'S acts under this Revocable License Agreement.

LICENSEE shall be solely responsible and answerable for damages related to all accident or injuries to person or property arising out of or caused in the performance of the Work done pursuant to this Agreement by or on behalf of LICENSEE. Nothing contained in this Agreement is intended to serve as a waiver of sovereign immunity. The parties agree that one percent (1%) of the total compensation paid to Contractor for the work of the contract shall constitute specific consideration to Contractor for the indemnification to be provided under the contract.

**7. INSURANCE.**

LICENSEE shall procure at its own cost and expense Commercial General Liability Insurance coverage in an amount not less than One Million (\$1,000,000.00) Dollars combined single limit in addition to any other insurance or bond CITY may reasonably require, which insurance shall, to the extent provided by such insurance, protect LICENSEE, CITY, and their officers and employees from any claims for damages to property and for personal injuries, including death, which may arise on said property during the term of this agreement and any renewals arising out of or caused in the performance of the Work done pursuant to this Agreement by or on behalf of LICENSEE. The insurance policy shall provide to the extent available that such insurance shall not be canceled or amended without at least sixty (60) days' prior written notice to the City except ten (10) days for cancellation for nonpayment of premiums, and a Certificate of Insurance shall be furnished the CITY, naming the City of Pompano Beach as an additional insured pursuant to this Agreement, said Certificate of Insurance to be approved by the CITY's Risk

Manager prior to execution of this Agreement. A copy of said Certificate is attached hereto and designated as Exhibit "C."

**8. AMENDMENTS.**

No modification, amendment or alteration of the terms or conditions contained herein shall be effective unless contained in a written document executed by the parties hereto, with the same formality and of equal dignity herewith.

**9. SURRENDER UPON TERMINATION.**

LICENSEE shall peaceably surrender this license and restore the licensed Property substantially to its original condition or better upon written notice, as provided for in Section 11 by CITY that LICENSEE has failed to maintain the Work to the CITY's satisfaction or other reasons as provided for in Section 2 of this Agreement.

LICENSEE shall remove from the licensed Property, at LICENSEE's own expense, any subject improvements placed thereon and, thereafter, the License shall be considered abandoned and terminated. Upon completion of said removal, within 60 days, the condition of the Property shall be such that it is safe and not a hazard and in substantially its original condition or better as reasonably determined by the CITY. LICENSEE shall provide documentation to CITY to establish the conditions that existed prior to subject improvements being constructed.

The parties recognize this Agreement is for the use of Property within public right-of-way as depicted in Exhibit "A."

**10. WAIVER.**

Failure of the CITY to insist upon strict performance of any covenant or condition of this Revocable License, or to exercise any right herein contained, shall not be construed as a waiver or relinquishment for the future of any such covenant, condition or right; but the same shall remain in full force and effect. None of the conditions, covenants or provisions of this Revocable License Agreement shall be waived or modified except by the parties hereto in writing.

## **11. TERMINATION.**

This Revocable License Agreement may be cancelled by either party with reasonable cause for the reasons described in Section 2 at any time during the term thereof upon sixty (60) days written notice to the other of its desire to terminate this Revocable License Agreement. It is expressly understood by the parties that LICENSEE is receiving from CITY a Revocable License that may be terminated by the CITY due to failure by the LICENSEE to maintain the Work, due to the CITY's need to use the Property for a higher municipal purpose or because the LICENSEE's use of the Property is a risk to the public's health, safety or welfare as reasonably determined by CITY. Said removal shall be solely at LICENSEE's own expense with no right to compensation of any kind from CITY and shall be completed within 60 days of receiving CITY's notice of termination.

## **12. NOTICES.**
