A. Evaluation:

1. Review Artists

Ms. Atria stated that there were 2054 designs submitted through CaFE for round 2. She narrowed down the works to 76 based on the online votes. The subcommittee will be narrowing the selections down to 43.

Mr. Davis stated that he would rather not vote by the image, but by the artist. He is also concerned that the contracts would be tough to coordinate.

Mr. Davis also noted that some of the images are vertical and would be difficult to use on a box.

Ms. Atria stated that she would be able to work with the artist and vinyl company to manipulate and crop the images.

The subcommittee viewed the submissions and commented on each.
