

**PUBLIC ART COMMITTEE**

DATE: June 21, 2018  
TO: City Commission  
FROM: Public Art Committee  
SUBJECT: Oasis Sculpture

---

At the meeting of the Public Art Committee held on June 21, 2018, the Committee recommended approval of Cecilia Lueza for the Oasis/Utilities sculpture that will be located at the Oasis Reuse Water Plant. Due to Ms. Lueza's prior works of art, design sketch and letter of interest, the Committee believe that she will create a beautiful artwork for the City.

The Committee unanimously approved the recommendation of Cecilia Lueza as the artist and think this sculpture will be a great addition to the City.

Terrence Davis  
Chair  
Public Art Committee
