2. **INSTALLATION OF REQUIRED IMPROVEMENTS.**
 - (a) DEVELOPER agrees to and shall construct the improvements described in the attached Exhibit "B," hereinafter referred to as the "Improvements." Said Improvements shall be constructed in accordance with the schedule set out in Exhibit "B."
 - (b) The Improvements described in Exhibit "B" shall be installed in accordance with applicable COUNTY, CITY, or State of Florida, Department of Transportation standards and specifications and in accordance with the Development Review Report for the Project. The construction plans for the Improvements, including pavement marking and signing plans, shall be submitted to COUNTY for review. The construction plans for the Improvements must be approved by the COUNTY prior to the commencement of construction. Construction shall be subject to inspection and approval by COUNTY. Pavement marking and signing shall be provided for all of the Improvements and shall be subject to review, field inspections and final approval by the Broward County Traffic Engineering Division, which Improvements shall be consistent with the previously approved plans.
 - (c) If property is located within a municipality, DEVELOPER, its successors and assigns agree that no building permits shall be obtained from the municipality for construction of a principal building within the Project until such time as DEVELOPER provides the municipality with written confirmation from COUNTY that engineering plans for the required improvement have been approved by the Broward County Engineering Division and that DEVELOPER has complied with paragraph 4. of this Agreement. Failure of DEVELOPER, its successors and assigns to comply with the above shall constitute a default of this Agreement. If the property is located within the unincorporated area, the COUNTY shall not issue building permits for construction of a principal building within the Project until such time as the DEVELOPER has complied with paragraph 4. of this Agreement.
 - (d) If property is located within a municipality, DEVELOPER, its successors and assigns agree that no certificates of occupancy within the Project shall be obtained prior to completion of the Improvements according to the schedule set forth in Exhibit "B." 4. SECURITY AND DEFAULT.

PLEASE CHECK ONE OF THE THE APPROPRIATE SECTIONS BELOW

☐ (a) Lien.

- (1) A lien is hereby imposed by the COUNTY against the real property identified in Exhibit "A" in the amount of _____ Dollars (\$_____). Such lien shall secure the construction of the Improvements identified in Exhibit "B" attached hereto. Such lien shall exist until fully paid, discharged, released, or barred by law. The lien created by this Agreement shall be superior to and shall have priority over any mortgage on the real property described in Exhibit "A." The DEVELOPER shall cause this Agreement to be executed by the holder of any such mortgage, which execution shall constitute the mortgagee's consent to such subordination.
- (2) Prior to the DEVELOPER obtaining a building permit for construction of any portion of the Project which, according to the schedule set forth in Exhibit "B," requires the installation of the Improvements, or a portion thereof, DEVELOPER shall provide security acceptable to the COUNTY in the form of an irrevocable letter of credit in the amount of _____ Dollars (\$_____), in substitution of the lien imposed hereby, and the COUNTY shall cause to be executed and recorded in the Official Records of Broward County a release or satisfaction of the lien upon the property described in Exhibit "A."
- (3) DEVELOPER may elect to provide security for any individual phase as listed in Exhibit "B," in order to release a portion of the lien imposed on the Project for the individual phase. In that event, DEVELOPER shall submit a cost estimate prepared by a Registered Engineer for the Improvements required in such phase. Upon acceptance by the COUNTY of the cost estimate, and payment by DEVELOPER of any applicable fee, that portion of the Project shall be released from the

lien imposed and the total amount of the lien shall be reduced by the approved amount.

- (4) In the event DEVELOPER fails to construct the Improvements according to the terms and conditions of this Agreement, COUNTY may recover such sums from DEVELOPER as are necessary in order to cause the construction of the Improvements that are outstanding. At the option of the COUNTY, such sums, plus costs and attorney's fees, may be recovered by COUNTY against the DEVELOPER through a civil action, and/or the COUNTY may draw against the security for the amount necessary to construct the Improvements.
- (6) DEVELOPER shall ensure that the substitute security remains valid and in full force and effect until DEVELOPER'S Improvement obligations are fully performed. Expiration of the security prior to DEVELOPER'S performance of such obligation, or notice to COUNTY that the security will expire or has been canceled or disaffirmed prior to DEVELOPER'S satisfaction of all obligations hereunder, at COUNTY's option, shall constitute a default of this Agreement.
- (7) In the event the COUNTY determines that the security has been canceled or disaffirmed by the issuing institution, COUNTY may record a document entitled "Notice of Lien for Installation of Required Improvements" which shall constitute a lien on the property described in Exhibit "A" for the amount due hereunder, until fully paid, discharged, released or barred by law. To the extent that the failed security is attributable to an identified parcel or portion of the Project, the Notice of Lien may be recorded against and apply only to such parcel or portion of the Project. The above provisions shall control such lien, except that the provision regarding subordination of mortgages shall not apply. If the DEVELOPER provides substitute security in a form acceptable to COUNTY, COUNTY shall release the lien.
- (8) In the event COUNTY draws on the security in accordance with the provisions of this Agreement, DEVELOPER shall be responsible for COUNTY'S reasonable costs incurred in drawing against the security.

[] (b) Letter of Credit.

- (1) Prior to the DEVELOPER recording the plat or any agreements which were conditions of approval for the Project, the DEVELOPER shall provide the COUNTY with an irrevocable letter of credit, which is acceptable to the COUNTY and which guarantees the DEVELOPER'S

performance of the construction obligations set forth in this Agreement in the total amount of \$_____.

- (2) If the DEVELOPER obtains certificates of occupancy prior to completion of the applicable Improvements, contrary to the schedule set forth in Exhibit "B," the DEVELOPER shall be in default of this Agreement. In the event the DEVELOPER defaults under the terms of this Agreement or the COUNTY receives notice that the security will be canceled by the issuing institution, COUNTY shall be entitled to draw against the security for the amount for the amount set out in paragraph 4.(b)(1), plus costs as set forth herein. If COUNTY draws against the security and the amount recovered is less than the amount necessary to construct the Improvements, COUNTY may maintain an action against DEVELOPER in a court of competent jurisdiction for the difference between any sums obtained and the amount due, plus costs and interest accrued from the due date at the rate of 12 percent per annum or, at the option of the COUNTY, the COUNTY may record a document entitled "Notice of Lien for Installation of Required Improvements" which shall constitute a lien on the property described in Exhibit "A" in the amount stated above. To the extent that the failed security is attributable to an identified parcel or portion of the PLAT, the Notice of Lien, as set forth above, shall be recorded against and apply only to such parcel or portion of the PLAT. The above provisions shall control such lien, except that the provision regarding subordination of mortgages shall not apply. Such lien may be foreclosed or otherwise enforced by the COUNTY by action or suit in equity as for the foreclosure of a mortgage on real property. If the DEVELOPER provides substitute security in a form acceptable to COUNTY, COUNTY shall release the lien.
- (3) DEVELOPER shall ensure that the security remains valid and in full force and effect until DEVELOPER'S road improvement obligation is fully performed. Expiration of the security prior to DEVELOPER'S performance of such obligation, or notice to COUNTY that the security will expire or has been canceled or disaffirmed prior to DEVELOPER'S satisfaction of all obligations hereunder, at COUNTY's option, shall constitute a default of this Agreement.
- (4) In the event COUNTY draws on the security in accordance with the provisions of this Agreement, DEVELOPER shall be responsible for COUNTY'S reasonable costs incurred in drawing against the security.

☒ (c) Cash Bond.

- (1) The Improvements identified in Exhibit "B" shall be secured by cash, or check (cashier's, certified, or registered), or money order issued by BANK of AMERICA (financial institution), in the amount of Twenty Three Thousand Eight Hundred Forty Eight Dollars (\$ 23,848.00), payable to the Broward County Board of County Commissioners. The DEVELOPER may at its option, later provide to the COUNTY a letter of credit acceptable to COUNTY, in like amount, that shall be substituted for the cash, check, or money order. If the DEVELOPER provides a letter of credit the provisions of subsection 4(b) above shall apply.
 - (2) Upon completion of the Improvements, and acceptance by the applicable unit of local government, the DEVELOPER shall notify the Broward County Engineering Division of such completion and acceptance. Upon a determination by the Engineering Division that the Improvements have been installed, constructed, completed, and accepted, and following the completion of DEVELOPER'S one (1) year maintenance obligations if the Improvements are made to a County road, the COUNTY shall have ninety (90) days to remit Twenty Three Thousand Eight Hundred Forty Eight Dollars (\$ 23,848.00) to the DEVELOPER, provided that the COUNTY has not already effected a remittance to the DEVELOPER because of the earlier substitution of a or letter of credit.
5. Upon the completion of one or more of the road Improvements specified in Exhibit "B," the DEVELOPER may request a partial release of security from the COUNTY. The DEVELOPER shall submit a sealed certification by a Registered Engineer of the work completed, and a cost estimate of the remaining roadway Improvements to be completed based upon the current approved County unit prices. Upon acceptance by the COUNTY of said certification and cost estimate, and payment by the DEVELOPER of any applicable fee, the COUNTY shall release that portion of the security, if any, which is in excess of the cost of the remaining road Improvements. Final release of the full security is subject to the standard COUNTY maintenance period of one (1) year from the date of completion of all of the Improvements specified on Exhibit "B," for roadways subject to COUNTY permit jurisdiction. Prior to release of any security held by the COUNTY for Improvements which are under the permit jurisdiction of other governmental agencies, the DEVELOPER shall submit documentation from the permit agency officially accepting the Improvements and consenting to the release of security.

6. DEVELOPER agrees that the construction contract(s) for the Improvements shall:

- (a) Indemnify and hold harmless COUNTY, its officers and employees, from liabilities, damages, losses, and costs, including, but not limited to reasonable attorney's fees, to the extent caused by the negligence, recklessness or intentional wrongful misconduct of DEVELOPER and persons employed or utilized by or under contract with the DEVELOPER in the performance of this Agreement. Except as specifically provided herein, this Agreement does not require DEVELOPER or its contractor to indemnify COUNTY, its employees, officers, directors, or agents from any liability, damage, loss, claim, action, or proceeding. In the event that any action or proceeding is brought against COUNTY by reason of any such claim or demand, DEVELOPER shall, upon written notice from COUNTY, resist and defend such action or proceeding by counsel satisfactory to COUNTY. The provisions of this section shall survive the expiration or earlier termination of this Agreement.
- (b) In order to insure the indemnification obligation contained above, the contractor for the DEVELOPER and/or its contractor shall, as a minimum, provide, pay for, and maintain in force at all times during the term of this Agreement (unless otherwise provided), the insurance coverages set forth below, in accordance with the terms and conditions required by this section.
- (c) Such policy or policies shall be without any deductible amount and shall be issued by United States Treasury approved companies authorized to do business in the state of Florida, and having agents upon whom service of process may be made in Broward County, Florida. Such policies shall specifically protect COUNTY and the Broward County Board of County Commissioners by naming COUNTY and the Broward County Board of County Commissioners as additional insureds.
