

EXHIBIT B

INSURANCE

The insurance described herein reflects the insurance requirements deemed necessary for this project by the CRA. It is not necessary to have this level of insurance in effect at the time of submittal, but certificates indicating that the insurance is currently carried or a letter from the Carrier indicating upgrade ability will speed the review process to determine the most qualified Proposer.

The successful Proposer shall not commence operations, construction and/or installation of improvements until certification or proof of insurance, detailing terms and provisions of coverage, has been received and approved by the City of Pompano Beach Risk Manager.

The following insurance coverage shall be required.

1. Worker's Compensation Insurance covering all employees and providing benefits as required by Florida Statute, Chapter 440, regardless of the size of the company (number of employees). The Contractor further agrees to be responsible for employment, control and conduct of its employees and for any injury sustained by such employees in the course of their employment.
2. Liability Insurance
 - a) Naming the Pompano Beach CRA and City of Pompano Beach as additional insured, on General Liability Insurance only, in connection with work being done under this contract.
 - b) Such Liability insurance shall include the following checked types of insurance and indicated minimum policy limits.
3. Real & Personal Property Insurance

The Contractor is responsible for any loss or damage to tools, equipment and supplies at the job site and is also responsible for any loss or damage to buildings being constructed until that building is completed and a certificate of occupancy is issued.
