1. Ali Building Sculpture Voting

Ms. Schorr has an issue with the location being too small. She asked about changing the location to the back of the Ali building near the parking lot.

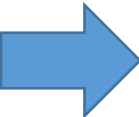

Ms. Atria replied that she presented the location to the Public Art Committee and it was vetoed because the Committee wanted it more street central.

One hundred and four (104) applicants applied. Twenty-two (22) were shortlisted for the Committee's review at this meeting.

Ms. Atria showed a slide show of the top twenty-two (22) artist sculptures.

The Committee decided to run through all twenty-two (22) artist entries and did a process of elimination.

Exterior lights will be installed around the sculpture and some of the shrubs will be trimmed or removed.

A **MOTION** was made by Ms. Maguire to select Linda Serrao as the recommended artist with Charles Strain as the alternate. Motion was seconded by Ms. Houston Jones. All in favor of the Motion. Motion passed unanimously.
