AND EMERGENCY UTILITY CONSTRUCTION SERVICES**

THIS AGREEMENT is made and entered into this _____ day of _____,
20____, by and between:

CITY OF POMPAÑO BEACH, a Florida municipal corporation, having
its principal office at 100 W. Atlantic Blvd., Pompano Beach, Florida
33060, referred to as "City,"

and

KILLEBREW, INC., a Florida corporation, whose mailing address is
2830 Winter Lake Road, Lakeland, Florida 33803, referred to as
"Contractor,"

collectively referred to as the "Parties."

W I T N E S S E T H:

WHEREAS, the City wishes to enter into this Agreement for As-Needed and Emergency
Utility Construction Services ("Agreement") with Contractor; and

WHEREAS, the Parties wish to incorporate the terms and conditions of the solicitation
and contractual arrangement between Polk County, Florida ("County") and Contractor in
accordance with the County's Request for Proposals (RFP) No. 19-299, which provides for goods
and services set forth in **Exhibit A**, attached and referenced to as the "County Contract"; and

WHEREAS, Section 32.41(C) of the Code of the City of Pompano Beach authorizes the
City to utilize joint bids, cooperative bids, state contract prices and prices obtained by other
governmental agencies through competitive bidding to satisfy the formal bidding requirements;
and

NOW THEREFORE, in consideration of the mutual covenants set forth in this Agreement
and other good and valuable consideration, the receipt and sufficiency of which is acknowledged,
the parties agree as follows:

1. **RECITALS.** The foregoing "WHEREAS" clauses are adopted and incorporated in
this Agreement.

2. **TERM.** The term of this Agreement shall be for a five (5) year time period,
commencing on the date last signed by the parties ("Effective Date") and shall remain in force and
effect until its expiration, unless sooner terminated as provided in this Agreement.

3. **SCOPE OF SERVICES.** Contractor agrees to provide the goods and services requested by City and as further described in **Exhibit A**. The County Contract is incorporated into this Agreement for all purposes. In the event of conflict between the County Contract and this Agreement, the order of priority shall be: (1) this Agreement; and (2) the County Contract. The City reserves the right, however, to terminate this Agreement and bid or negotiate a new Agreement, if the procurement by the City under this Agreement are significantly greater than the estimated amounts in the County Contract.

The following provisions are included as supplementary to and amending the County Contract:

A. City of Pompano Beach shall be deemed substituted for County, with regard to any provisions of the County Contract, including, for example and not limitation, with regard to insurance, indemnification, licensing, termination, default, and ownership of documents, including the additional provisions below. All recitals, representations and warranties of Contractor made in the County Contract are restated as if fully set forth, made for the benefit of City, and incorporated in this Agreement.

B. In the event that the County Contract is terminated for any reason, including County's failure to exercise any or all options granted, the City shall have the right to continue this Contract in full force and effect, despite such termination; and to exercise any and all options which County fails to exercise.

C. Either Party may terminate this Agreement for cause, upon written notice to the breaching party, for the following reasons: (1) a payment default that is not cured within sixty (60) days of the invoice payment date; or (2) a material, non-monetary default that is not cured within sixty (60) days following receipt of written notice of such default. If the City terminates this Agreement for cause, the City shall be entitled to any funds advanced to Contractor for services. In such instance, the City, after termination for cause, shall have no further obligations under this Agreement. Notwithstanding, in all instances, neither party is prevented from pursuing any and all available remedies at law.

D. Public Records.

1. The City of Pompano Beach is a public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records Law, as amended. Specifically, the Contractor shall:

a) Keep and maintain public records required by the City in order to perform the service.

b) Upon request from the City's custodian of public records, provide the City with a copy of requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes or as otherwise provided by law.

c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the City.

d) Upon completion of the contract, transfer, at no cost to the City, all public records in possession of the Contractor, or keep and maintain public records required by the City to perform the service. If the Contractor transfers all public records to the City upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records in a format that is compatible with the information technology systems of the City.

2. Failure of the Contractor to provide the above described public records to the City within a reasonable time may subject Contractor to penalties under 119.10, Florida Statutes, as amended.

G. Warranties; Limitation of Liability; Indemnification.

1. Contractor represents, warrants and covenants the following: a) Contractor currently possesses all necessary licenses, permits, insurance and approvals required validly to execute, deliver and perform its duties under this Agreement and is qualified to do business in all jurisdictions where such qualification is required for Contractor's performance of its duties under this Agreement, and b) to the best of its knowledge and ability, Contractor will comply with, and will use its best efforts to cause each subcontractor it may engage to comply with all applicable federal and state laws and regulations in performing its and their respective responsibilities under this Agreement and any subcontracts.

2. Nothing contained in this paragraph or elsewhere in this Agreement is in any way intended to be a waiver of the limitation placed upon City's liability as set forth in Chapter 768, Florida Statutes. Additionally, no claim or award against the City shall include attorney's fees, investigative costs or pre-judgment interest, whether at trial or on appeal.

3. Contractor agrees to indemnify and hold harmless the City, its elected officials, officers, employees or agents from and against any claims, suits, actions, damages, causes of action or judgments made upon the City, arising out of this Agreement and from and against all costs, attorney's fees, expenses and other liabilities incurred in the defense of any such claim, suit or action, and any investigation work. The Parties agree that one percent (1%) of the total compensation paid to Contractor for Services under this Agreement shall constitute specific consideration to Contractor for the indemnification to be provided under this Agreement.

4. BY ENTERING INTO THIS AGREEMENT, THE PARTIES EXPRESSLY WAIVE ANY RIGHTS EITHER PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT.

H. AUDIT RIGHTS. Contractor will have the right, during normal business hours and upon at least five (5) days prior written notice, to have an independent audit firm, at Contractor's sole expense, audit City's records relating to City's activities pursuant to this Agreement, unless in contravention of Florida's public records law, in order to verify that City has complied with the terms of this Agreement. Such audits will be conducted no more than once in any period of twelve (12) consecutive months, and Contractor and its auditing firm will adhere to any security measures or other actions or procedures required by Florida law.

I. **ENTIRE AGREEMENT.** This Agreement sets forth the entire agreement between Contractor and City with respect to the subject matter of this Agreement. This Agreement supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, between the parties. This Agreement may not be modified except by the parties' mutual agreement set forth in writing and signed by the parties. Any modifications to the County Contract shall be applicable to the City only if so agreed to in writing by the City. In the event that such changes or modification adversely impacts the City, the City may terminate this Agreement.

J. **SEVERABILITY.** If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future law, and if the rights or obligations of any Party under this Agreement will not be materially and adversely affected thereby, such provision will be fully severable, this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance here from and in lieu of such illegal, invalid or unenforceable provision, City and Contractor shall negotiate in good faith to restore insofar as practicable the benefits to each party that were affected by such ruling and to include as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible.

K. **FORCE MAJEURE**

1. Neither party shall be obligated to perform any duty, requirement or obligation under this Agreement if such performance is prevented by fire, hurricane, earthquake, explosion, war, civil disorder, sabotage, accident, flood, acts of God or by any reason of any other matter or condition beyond the control of either party which cannot be overcome by reasonable diligence and without unusual expense ("Force Majeure"). In no event shall economic hardship or lack of funds be considered an event of force majeure.

2. If either Party is unable to perform, or are delayed in their performance of any obligations under this Agreement because of any event of force majeure, their inability to perform or delay shall be excused until such time as may be reasonably necessary for either party to correct the adverse effect of such event of force majeure.

3. In order to be entitled to the benefit of this Paragraph, a party claiming an event of force majeure shall be required to give prompt written notice to the other party specifying in detail the event of force majeure and also diligently proceed to correct the adverse effect of any force majeure. The parties agree that, as to this Article, time is of the essence.

L. **MISCELLANEOUS**

1. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same

instrument. A photocopy, email or facsimile copy of this Agreement and any signatory to this Agreement shall be considered for all purposes as original.

2. A Party's failure to insist upon strict compliance with any terms, covenants or conditions of this Agreement shall not be deemed a waiver of such, nor shall any waiver or relinquishment of such right or power at any time be taken to be a waiver of any other breach.

3. The Parties may request changes to modify certain provisions of this Agreement; however, unless otherwise provided, such changes must be contained in a written amendment executed by both parties with the same formality of this Agreement.

4. Regardless of which party or party's counsel prepared the original draft and subsequent revisions of this Agreement, both City and Contractor and their respective counsel have had equal opportunity to contribute to and have contributed to its contents, and this Agreement shall not be deemed to be the product of, and therefore construed against, either party.

5. It is further agreed the omission of a term or provision contained in an earlier draft of this Agreement shall have no evidentiary significance regarding the contractual intent of the parties.

6. In the event of litigation between the parties, the prevailing party shall be entitled to recover all costs of collection, including a reasonable attorney's fees and court costs, at trial or on appeal. The provisions of this paragraph shall survive termination of this Agreement.

7. Authority. Each person signing this Agreement on behalf of either party individually warrants that he or she has full legal power to execute this Agreement on behalf of the party for whom he or she is signing, and to bind and obligate such party with respect to all provisions contained in this Agreement.
