RE: Contract RFP E-13-17

The certificate holder is added as an additional insured for general, automobile and excess liability, where required by written contract or written agreement executed prior to loss. Such coverage is primary and non-contributory. The certificate holder is granted waiver of subrogation for general, automobile and excess liability, and workers' compensation, where required by written contract or written agreement executed prior to loss. Excess liability is "follow form" general, automobile and employers liability.
