Re: Man-Con Incorporated – RFP Emergency and On Call Utility Repair Services

It has been the privilege of Travelers Casualty and Surety Company of America (“Travelers”)<sup>1</sup> to provide surety bonds for Man-Con Incorporated since 2005. During that time, they have built, and we have bonded projects in excess of \$15,000,000 for a variety of owners.

It is our opinion that Man-Con Incorporated is qualified to perform the above captioned project, which we understand can range up to \$2,000,000 on an individual project basis. At their request, we will favorably consider providing the required performance and payment bonds. Man-Con has the ability to obtain performance & payment bonds within 24 hours, or a reasonable amount of time, for the amount of the repair.

Please note that the decision to issue performance and payment bonds is a matter between Man-Con Incorporated and Travelers and will be subject to our standard underwriting at the time of the final bond request, which will include but not be limited to the acceptability of the contract documents, bond forms and financing. We assume no liability to third parties or to you if for any reason we do not execute said bonds.

If you have any questions or need any additional information, please do not hesitate to contact me.

Sincerely,

TRAVELERS CASUALTY AND SURETY  
COMPANY OF AMERICA
