NOTE:

Financial statements that are required as submittals to prequalify for a solicitation will be exempt from public disclosure; however, financial statements submitted to prequalify for a solicitation, and are not required by the City, may be subject to public disclosure.

Value of Work Previously Awarded to Firm (Tie-breaker) - In the event of a tie, the firm with the lowest value of work as a prime contractor on City of Pompano Beach projects within the last five years will receive the higher ranking, the firm with the next lowest value of work shall receive the next highest ranking, and so on. The analysis of past work will be based on the City's Purchase Order and payment records.

The Committee has the option to use the above criteria for the initial ranking to short-list Proposers and to use an ordinal ranking system to score short-listed Proposers following

presentations (if deemed necessary) with a score of “1” assigned to the short-listed Proposer deemed most qualified by the Committee.

Each firm should submit documentation that evidences the firm’s capability to provide the services required for the Committee’s review for short listing purposes. After an initial review of the Proposals, the City may invite Proposers for an interview to discuss the proposal and meet firm representatives, particularly key personnel who would be assigned to the project. Should interviews be deemed necessary, it is understood that the City shall incur no costs as a result of this interview, nor bear any obligation in further consideration of the submittal.

When more than three responses are received, the committee shall furnish the City Commission (for their approval) a listing, in ranked order, of no fewer than three firms deemed to be the most highly qualified to perform the service. If three or less firms respond to the Solicitation, the list will contain the ranking of all responses.

The City Commission has the authority to (including, but not limited to); approve the recommendation; reject the recommendation and direct staff to re-advertise the solicitation; or, review the responses themselves and/or request oral presentations and determine a ranking order that may be the same or different from what was originally presented to the City Commission.

D. Required Proposal Submittal

Sealed proposals shall be submitted electronically through the eBid System on or before the due date/time stated above. Proposer shall upload response as one (1) file to the eBid System. The file size for uploads is limited to 250 MB. If the file size exceeds 250 MB the response must be split and uploaded as two (2) separate files.

NOTE:

(1) Estimated hours are NOT intended to represent the actual contract amount, but are an estimate of a typical work month and will be used for the sole purpose of evaluating proposals.

The City uses a mathematical formula for determining allocation of cost points to each responsive, responsible Proposer. The lowest, responsive, responsible Proposer receives the maximum allowable points. When using this formula, a Proposer that submits a cost or fee which is two times greater than the cost/fee of the lowest responsive, responsible Proposer, shall result in receiving zero points for cost.

REGARDING PRICE: The firm providing the lowest cost to the City shall receive the maximum number of Cost Proposal points. Points shall be awarded to other proposers in the following manner:

2nd Lowest Proposer:

2nd lowest cost – lowest cost = X

X divided by lowest cost = Y

Y times the total number of cost points = Z

Total number of cost points – Z = points assigned to 2nd Lowest

Example:

Lowest cost = \$1000 2nd lowest cost = \$1250 Total available points = 15

1250 – 1000 = 250

250 / 1000 = .25

.25 x 15 = 3.75

15 – 3.75 = 11.25 points to 2nd lowest bidder
