3 Conflict of Interest

For purposes of determining any possible conflict of interest, all bidders must disclose if any City of Pompano Beach employee is also an owner, corporate officer, or employee of their business. Indicate either "Yes" (a City employee is also associated with your business), or "No". (Note: If answer is "Yes", you must file a statement with the Supervisor of Elections, pursuant to Florida Statutes 112.313.) Indicate Yes or No below with the drop down menu.

4 Drug-Free Workplace

Preference must be given to Contractors submitting certification with their bid or proposal, certifying they have a drug-free workplace in accordance with Florida Statutes, Section 287.087. This requirement affects all public entities of the State and becomes effective January 1, 1991. Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids which are equal with respect to price, quality and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall: (1) Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition. (2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations. (3) Give each employee engaged in providing the commodities or contractual services that are under bid, a copy of the statement specified in subsection (1). (4) In the statement specified in subsection (1) notify the employees that as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace, no later than five (5) days after such conviction. (5) Impose a sanction on, or require the satisfactory participation in, a drug abuse assistance or rehabilitation program if such is available in the employee's community, by an employee who is so convicted. (6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section. Select Yes below from the drop down menu to certify that your firm complies with the above requirements.

5 Vendor Certification Regarding Scrutinized Companies Lists (Over \$1,000,000.00)

Section 287.135, Florida Statutes, prohibits agencies from contracting with companies, for goods or services over \$1,000,000, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. Further, Section 215.4725, Florida Statutes, prohibits agencies from contracting (at any dollar amount) with companies on the Scrutinized Companies that Boycott Israel List, or with companies that are engaged in a boycott of Israel. As the person authorized to electronically sign on behalf of Respondent, I hereby certify by selecting the box below that the company responding to this solicitation is not listed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or the Scrutinized Companies that Boycott Israel List. I also certify that the company responding to this solicitation is not participating in a boycott of Israel, and is not engaged in business operations in Syria or Cuba. I understand that pursuant to sections 287.135 and 215.4725, Florida Statutes, the submission of a false certification may subject company to civil penalties, attorney's fees, and/or costs.

6 Acknowledgement of Addenda

Check this box to acknowledge that you have reviewed all addenda issued for this solicitation.

7 Local Business Participation Percentage

If you have indicated local business participation on the Local Business Participation Form Exhibit A enter the percentage of the contract that will be performed by local Pompano Beach businesses.

8 Extension of prices, terms and conditions to other governmental entities

If awarded the contract resulting from this bid, will your company agree to extend the same prices, terms and conditions to other governmental entities? (Note -- Optional, agreement not required for contract award.) All Purchases made by other governmental entities shall be understood to be transactions between that entity and the awarded vendor; the City of Pompano Beach shall not be a party to or be responsible for any such purchases. Indicate by selecting yes or no from the drop down menu.

9 Additional Items at Awarded Contract Price

If awarded the contract resulting from this bid, will your company agree to sell additional items at the awarded contract price? If so state the time period for additional items to be purchased at the awarded contract price in calendar days. If you will not agree to sell additional items at awarded contract price enter 0.

BID PROPOSAL

1. The undersigned BIDDER proposes and agrees, if this Bid is accepted, to enter into an agreement with OWNER in the form included in the Contract Documents to perform and furnish all Work as specified or indicated in the Contract Documents for the Contract Price and within the Contract Time indicated in this Bid and in accordance with the other terms and conditions of the Contract Documents.
2. BIDDER accepts all of the terms and conditions of the Advertisement or Invitation to Bid and Instructions to Bidders, including without limitation those dealing with the disposition of Bid Security. This Bid will remain subject to acceptance for ninety (90) Days after the Bid Opening. BIDDER will sign and submit the Agreement with the Bonds and other documents required by Bidding Requirements within ten (10) days after the date of OWNER'S Notice of Award.
3. In submitting this Bid, BIDDER represents, as more fully set forth in the Agreement, that:
 - A. BIDDER has examined copies of all the bidding Documents and the Addenda.
 - B. BIDDER has familiarized itself with the nature and extent of the Contract Documents, Work, site, locality, and all local conditions and Laws and Regulations that in any manner may affect cost, progress, performance or furnishing of the Work.
 - C. BIDDER has studied carefully all reports and drawings of physical conditions which are identified in the bid.
 - D. BIDDER has obtained and carefully studied (or assumes responsibility for obtaining and carefully studying) all such examinations, investigations, explorations, tests and studies (in addition to or to supplement those referred to in (C) above) which pertain to the subsurface or physical conditions at the site or otherwise may affect the cost, progress, performance or furnishing of the Work as BIDDER considers necessary for the performance or furnishing of the Work at the Contract Price within the Contract Time and in accordance with the other terms and conditions of the Contract Documents, and no additional examinations, investigations, explorations, tests, reports or similar information or data are or will be required by BIDDER for such purposes.
 - E. Bidder has reviewed and checked all information and data shown or indicated on the Contract Documents with respect to existing site conditions and assumes responsibility for such. No additional examinations, investigations, explorations, tests, reports or similar information or data in respect of said site are or will be required by Bidder in order to perform and furnish the Work at Work Contract Price, within the Contract Time and in accordance with other terms and conditions of the Contract Documents.
 - F. BIDDER has correlated the results of all such observations, examinations, investigations, explorations, tests, reports and studies with the terms and conditions of the Contract Documents.
 - G. BIDDER has given OWNER written notice of all conflicts, errors or discrepancies that it has discovered in the Contract Documents and the written resolution thereof by Owner is acceptable to Bidder.

H. This Bid is genuine and not made in the interest or on behalf of any undisclosed person, firm or corporation and is not submitted in conformity with any agreement or rules of any group, or corporation; BIDDER has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid; BIDDER has not solicited or induced any person, firm or corporation to refrain from bidding; and BIDDER has not sought by collusion to obtain for itself any advantage over any other Bidding or over OWNER.

4. BIDDER agrees that the construction of the Project will be substantially complete within 365 calendar days after the date when the Contract Time commences to run as provided in the GENERAL CONDITIONS, and completed and ready for final payment within 365 calendar days after the date when the Contract Time commences to run.

BIDDER accepts the provisions of the Agreement as to liquidated damages in the event of failure to complete the Work on time.

5. BIDDER agrees that all Federal, State and local sales and use taxes are included in the stated bid prices for the Work.
6. BIDDER further proposes to accept as full payment for the work proposed herein the amounts computed under the provisions of the Contract Documents and based on the following unit prices (if applicable) represent a true measure of the labor, materials, equipment and any other incidentals required to perform the work, including all allowances for overhead and profit for each type and unit of work called for in these Contract Documents.

7. **BID PROPOSAL**

For the following, furnish all tools, materials, labor and any other incidentals required for the cured-in-place rehabilitation of sanitary sewer and storm drainage pipes as needed throughout the City of Pompano Beach, as specified herein:

BID LINE ITEM PRICING MUST BE SUBMITTED ELECTRONICALLY USING THE CITY'S EBID SYSTEM.

**STATEMENT UNDER SECTION 287.087
FLORIDA STATUTES, ON DRUG-FREE WORKPLACE**

Preference must be given to Contractors submitting certification with their bid or proposal, certifying they have a drug-free workplace in accordance with Florida Statutes, Section 287.087. This requirement affects all public entities of the State and becomes effective January 1, 1991.

Preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids which are equal with respect to price, quality and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing tie bids will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

- (1) Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
- (2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
- (3) Give each employee engaged in providing the commodities or contractual services that are under bid, a copy of the statement specified in subsection (1).
- (4) In the statement specified in subsection (1) notify the employees that as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace, no later than five (5) days after such conviction.
- (5) Impose a sanction on, or require the satisfactory participation in, a drug abuse assistance or rehabilitation program if such is available in the employee's community, by an employee who is so convicted.
- (6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign this statement, I certify that his firm complies with the above requirements.

LOCAL BUSINESS PARTICIPATION GOAL ANNOUNCEMENT

BID # T-01-20

The City of Pompano Beach is **strongly committed** to ensuring the participation of City of Pompano Beach Businesses as contractors and subcontractors for the procurement of goods and services, including labor, materials and equipment.

Bidders are required to participate in the City of Pompano Beach's Local Business Program by including, as part of their bid package, the Local Business Participation Form (Exhibit "A"), and the Letter of Intent Form (Exhibit "B").

Bidders should utilize businesses that, for a minimum of one year, are physically located in the City of Pompano Beach with a current Business Tax Receipt, whose permanent place of business may not be a post office box. The business must be located in a non-residential zone, and must actually distribute goods or services from that location. The business must be staffed with full-time employees within the limits of the city.

You can view the list of City businesses that have a current Business Tax Receipt on the City's website, and locate local firms that are available to perform the work required by the bid specifications. The business information, sorted by business use classification, is posted on the webpage for the Business Tax Receipt Division: www.pompanobeachfl.gov by selecting the Pompano Beach Business Directory in the Shop Pompano! section.

Bidders who are unable to meet the local business goals should also demonstrate and document that good faith efforts were made to achieve the goal by providing the Local Business Unavailability Form (Exhibit C), listing firms that were contacted but not available, and the Good Faith Effort Report (Exhibit D), describing the efforts made to include local business participation in the contract.

The required goal for this bid is 10% for Local Businesses.

REQUESTED INFORMATION BELOW IS ON LOCAL BUSINESS PROGRAM FORM ON THE BID ATTACHMENTS TAB. BIDDERS ARE TO COMPLETE FORM IN ITS ENTIRITY AND INCLUDE COMPLETED FORM IN YOUR PROPOSAL THAT MUST BE UPLOADED TO THE RESPONSE ATTACHMENTS TAB IN THE EBID SYSTEM.

RE:T-01-20 Cured-In-Place Pipe Rehabilitation Annual Contract – Local Business Participation and Utilization

To Whom it may concern,

Insituform Technologies, LLC (a subsidiary of Aegion Corporation) is pleased to offer our proposal for the City of Pompano Beach T-01-20 Cured-In-Place Pipe Rehabilitation Annual Contract. As a strong supporter of diversity, local community impact, and construction industry growth - Insituform strives to fulfill project requirements regarding Local Labor force utilization. Pursuant to the 10% Local Business Participation requirements on the project, please find the following clarifications to our actions, and ability to meet the project requirements:

Local Business Participation

Due to the specialty nature of Cured-in-Place-Pipe (CIPP) Rehabilitation, our workforce (as well as the workforce of our subcontractors) tends to be static, and our employee retention is high - due in part to significant training and safety investments in our workers. Because of this, our crew count and employee numbers don't increase on a job-specific basis, and we don't have the need to hire additional workers on a project by project basis like some non-specialty trades do.

Operations for all CIPP/rehabilitation projects in South Florida are handled out of our offices in Miami, which provide adequate resources for our current and estimated future workloads. Our crews are also some of the most efficient in the industry, all while maintaining industry leading quality standards, maintained by our ISO:9001 manufacturing, wetout, and installation processes – a rare combined offering in our industry.

As the largest provider of Cured-in-Place Pipe (CIPP) rehabilitation services in the world, one of our biggest strengths lies in our resources and crew capacity. In the State of Florida alone, Insituform employs six to seven experienced crews, three of which are based out of the South Florida office. Additional Insituform crews are located in Tampa, and Jacksonville, FL, throughout the Southeast United States, and around the country. Should the need for additional crews arise, we have the ability to rotate crews in and out, and shift resources to areas and projects that need them the most. Insituform's crew count, material manufacturing, and wetout resources are hands down the most robust in the industry.

As a vertically integrated company, we employ the finest in-house resources for engineering/design, manufacturing, wetout, and installation and control every step of the process. So if a project needs to be expedited, we have the ability to speed liner manufacturing and wetout processes to ensure timely installation and project completion. When competitors have needs or issues, there are a variety of manufacturers, suppliers, wetout locations and installers involved to navigate through, which can be messy

and involve a lot of finger pointing. If there is a need with Insituform, you have one point of contact, and a single source working in concert to solve problems and meet client needs.

Because of this business model, to meet the Local Business Participation requirement, we've reviewed your cities current local business list provided on your website. This was done on both the Insituform (prime contractor) level, as well as on the subcontractor level. We reviewed the list provided by the city thoroughly and found no utility contractors which qualified themselves as experts in the specialty trades needed for this proposal. After our evaluations were performed, we have been unable to find viable options to meet the 10% Local Business utilization requirement with the current workforce of both Insituform crew members, as well as crew members of our subcontractors. * One qualified subcontractor was identified however was non responsive as noted in the forms above. As this project progresses Insituform is willing to give equal opportunity to any additional approved vendors that may be identified. Should you have any questions and/or concerns regarding our fulfillment of these requirements, or if any additional information regarding Insituform/Aegion's internal processes is needed, please do not hesitate to contact me.

Very truly yours,

Insituform Technologies, LLC.
