The Experience You Need... The Honesty You Expect.

Mr. Horacio Danovich  
Capital Improvements and Innovation District Director  
City of Pompano Beach

Reference: Flagler Backyard Project  
Subject: Proposal for Construction

Mr. Danovich,

Thank you for the opportunity to provide our proposal for this project. Our proposal is based on the provided plan, our conversations and our site visits.

MBR Construction, Inc. proposes to perform the entire demolition and construction scope of work, including all labor, material, supervision, and hiring of trades. Our proposal covers mobilization and securing the site, and the following scope of work:

- Demolition and required earthwork
- All underground utilities
- Patio deck
- Pavers and curbing
- Underground refuse system
- Landscaping and Irrigation
- Miscellaneous asphalt and concrete work
- Site lighting
- Site furnishings
- Fencing
- Clean up and demobilize.

Our price for the stated work is \$1,570,000.00 plus \$50,000.00 contingency allowance totaling 1,620,000.00. We include permit processing as necessary, testing and inspection of the new materials, bond cost.

We exclude permit fees.

Thank you again for the opportunity to be of service to the City of Pompano Beach.

Michael R. Boss, President  
MBR Construction, Inc.
