**Executive Summary of How Nonprofit
will use City of Pompano Beach
Funding:**

The Friends of the Northwest Branch Library will utilize the City of Pompano Beach funding to continue two (2) long time community city events. The first, will be the Annual Blues and Sweet Potato Pie Festival that takes place in the month of June called the Juneteenth as one of the oldest known celebration commemorating the end of slavery in the United States and has been an African American tradition since the late 19th century. Our celebration of this historic moment is one the Friends major projects."The Blues and Sweet Potato Pie Festival" features lots of exciting activities and educational attractions. We average around 300 to 400 residents of Pompano Beach in attendance. Participants are asked to wear 1864-65 period clothing. There are motivational speakers, live performances from youth/young adults in our community, and old time blue music. Also, there have been inspirational segments where local churches can participate by displaying their choirs, dance teams, or groups. For the children there will be lots of fun activities including trackless train rides, Summer Reading program, storytelling, face painting, to name a few. The collective efforts of community volunteers, businesses, agencies, and Friends help to make it a success. This will be our 19th year of hosting this event for the residents in the NW area of the City of Pompano Beach. The second event will be the Community Back To School Fun Day generally held in the month of August just before the children/student return to another year of school for elementary to college age. The Annual Community Back To School Fun Day features a fun filled day for a large number of children/students in the NW area of Pompano Beach. This event includes handing out between 1300 to 1500 backpacks filled with essential school supplies, fun games activities, exhibitors, free food items, health screenings, educational mentors, financial and self help resources, tennis shoes, meal vouchers and music. This event relies on partnerships and donations for fulfill its purpose. We are now hosting the 16th year of the "Community Back To School Fun Day" for a more diverse population of children/students preparing to return to school better prepared to meet another year of furthering their education and purpose in life.

**How Does Your Nonprofit/Program Fit
the Guidelines and Funding Interests?**

The Friends of the Northwest Branch Library through both of its summer events fits the guidelines and interests of the City of Pompano by providing the residents opportunities to enhance their cultural experience with historical and educational presentations within community gatherings. These activities help to fosters awareness of the many organizations, agencies and volunteers within the City of Pompano Beach that collaborate to make these events take place and the value added as a positive agent within the local communities. The use of the funding from the City allows our agency to further enhance the community's participation and well being, provide assistance to children/students through educational supplies and cultural experiences.

Statement of Need:

The funding requested through this application process will assist with the financial obligations that come with promoting two (2) well known community activities for the children, students and adults that frequent each of these events. The Friends of the Northwest branch Library of Pompano Beach is request the amount of \$3,000.00 in total for both events, The Blues and Sweet Potato Pie Festival (\$2,000.00) and The Community Back To School Fun Day at (\$1,000.00) consistent with last year's application request.

Include a Description of the Geographic Area You Serve:

The Blues and Sweet Potato Pie Festival event is seeking attendees from all part of the City of Pompano Beach to share in the knowledge of this historical Juneteenth celebration of America's history for African Americans. The targeted population that generally participates at this event will predominately come from the NW Section of the city.

The Community Back to School Fun Day event serve more of a localized population from the SW, NW and some NE sections of the city due in part to the other organizations, groups and cities providing similar back pack giveaways. The other factor has to do with the enormous number of children/students that could show up at the event that would naturally overwhelm the supplies, food, drinks and manpower provided on that day. The origin of the Fun Day was started between a few NW Homeowners Associations for the benefit of its children/students, which then grew. The associations expanded with other partners, sponsors, groups and volunteers to make it what it is today. Additional funding sources were applied for through the City of Pompano in recent years but not to the extent that we could accommodate all of Pompano. Other groups and organizations try to fill the need outside of the locations we are able to serve in excellence.
