Re: Comcast Comments
City Commission Agenda Item 25, December 8, 2020
P.H. 2020-76
An Ordinance Relating to Communications Facilities in Public Rights of Way

Dear Mayor Hardin, Vice Mayor Perkins, and Commissioners:

I write on behalf of Comcast regarding the referenced ordinance. Along with other communications providers, Comcast has worked with City Attorney Mark Berman to address concerns we had with the initial drafts. We appreciate Mr. Berman's professionalism and investment of time to make that process work.

We look forward to our continued relationship with the City as we move forward with the implementation phase that will strengthen our communications network and services to your community.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read 'RGS'.
