Hello,

I received the letter regarding the hearing for the halfway house petition for 242 sw 9th Street I'm Lyons Park. Our entire street is objecting to this facility, and I just wanted to see if there was anything more we can do, other than just attending the virtual hearing- which we plan on doing. This is a scary situation for our families and kids, and I want to do everything in my power to prevent this from happening.

Thank you in advance,

Catherine Thompson
