To Whom it may concern:

Attached are the petitioned signatures (83) of concerned citizens of Lyons Park (see attached-PETITION-LYONS PARK RESIDENTS), who are opposed to the clustering of halfway homes in our neighborhood. Unfortunately, due to Covid-19 and time constraints, we weren't able to get to all Lyons Park residents. However, this petition still reflects the majority of the single family residents in our community.

Please consider the voices and rights of the families of Lyons Park that cannot be present for the Special Exemption hearing.

Thank you,

Lyons Park Residents

PETITION

We, the concerned residents of Lyons Park and surrounding areas, demand the city of Pompano Beach to change the policies, zoning laws and regulations to remove the ability of sober living homes from taking over our family communities. One of the properties in question is located at **242 SW 9 Street, Pompano Beach, FL 33060**, which is located four homes down from Cypress Elementary School. Not only do we find that this type of community housing does NOT belong in our neighborhood, it our infringes on the safety and well-being of our residents.
