To Whom it may concern:

I have attached a copy (see attachment-police calls halfway home) of the police/rescue calls-CAD (9/25/20 - 11/22/20) for the halfway home at 242 SW 9 Street, Pompano Beach, FL 33060.

This does not include the incident that occurred on Sunday, Jan. 17th, (see attachment-jan 17-1, jan 17-2 & jan 18-1) where police were called numerous times and fire rescue took a person out by stretcher due to an assault that happened inside the property by one of the residents on another resident.

This frequent activity is not only an added stress for our first responders, but also a stress on this community. We shouldn't have to live in fear of what might happen next.

Thank you for your consideration,

Jennifer Collins
