RE: 1351 West Terra Mar Drive, Pompano Beach, FL 33062 – Requested
Variance for Boat Lift

To Whom It May Concern,

I hereby state that I, Jeff and Courtney Selbach, the immediate owner of the adjacent upland riparian property located to the (North / South) of 1351 West Terra Mar Drive, Pompano Beach, FL 33062, have reviewed the plans for the proposed boat lift being installed adjacent to the existing marginal dock and understand that the proposed boat lift will extend approximately 28'-2" waterward of the property line and will require a variance approval from the City of Pompano Beach.

I have no objections to the project, variance request nor the installation of the boat lift per the enclosed plans.

Respectfully,

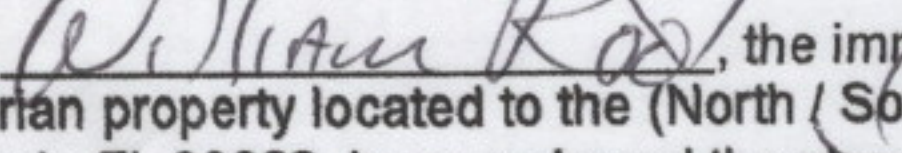

Jeff Selbach
