In closing, I would like to conclude with this video proof of the disdain Mrs Galuppi seems to have for us older senior citizens.

Mario Sotolongo was present while this all transpired, though you do not see him in the video, and my opinions and statements are mine alone.

So here is what I believe is the start of the intimidation tactics and trying to put fear in me or any other senior citizen who would dare stand up to the Galuppis.

Mrs Galuppi called this man and his van to block my ability to get a full video as if that means any less in my case against their Variance request.

Note the man yelling and bullying me, taunting me, that's OK, bcz he didnt come on his own, Mrs Galuppi called him there.

Watch the video for yourself, simply amazing. Hopefully she will deny it, phone records will show otherwise. I'm not afraid of either of you Mr or Mrs Galuppi, and this video will make excellent viewing by the Zoning and Appeals Board.

If Lieutenant Frank of BSO thinks I can press charges against this man and/or Mrs Galuppi with this evidence, I will gladly do so.

But isn't it nice that he was thanked by Mrs Galuppi I assume for trying to intimidate me as well. The video speaks for itself.

A man proudly taunting a senior citizen who speaks out against the Galuppi refrigerator row, "**Out with the old, in with the new**".

Are we seniors to be run out of town by thugs and hoodlums? Do you see anywhere where Mrs Galuppi disapproves of such abhorrent behavior or speech.?

I believe in my opinion, this is a crime as it relates to witness tampering, as Mrs Galuppi is well aware via numerous emails, I will be testifying against her variance on June 17th.

I believe this individual was called by her to intimidate me or anyone in my building from testifying.

Please see the laws regarding such actions, and judge for yourself.

Florida Statute Section 914.22(1) contains the following elements:

- a. uses intimidation or physical force;
- b. threatens another person;
- c. attempts to threaten another person;
- d. engages in misleading conduct toward another person; or
- e. offers pecuniary benefit or gain to another person;

AND

2. The act is committed with the intent to cause or induce any person to:

- Withhold testimony, or withhold a record, document, or other object, from an official investigation or official proceeding;
- Alter, destroy, mutilate, or conceal an object with intent to impair the integrity or availability of the object for use in an official investigation or official proceeding;
- Evade legal process summoning that person to appear as a witness, or to produce a record, document, or other object, in an official investigation or an official proceeding;
- Be absent from an official proceeding to which such person has been summoned by legal process;
- Hinder, delay, or prevent the communication to a law enforcement officer or judge of information relating to the commission or possible commission of an offense or a violation of a condition of probation, parole, or release pending a judicial proceeding; or
- Testify untruthfully in an official investigation or an official proceeding.

I want this email and its attachments added to file # LN-139 as evidence and correspondence, as is my right as a resident of Pompano Beach.
