We petition against the building of another 3 story house in our neighborhood.
We do not need another 2569 SE CT, Pompano Beach, FL 33062 starring at us so only one person can enjoy their building to view at the mercy of surrounding neighbors. I live across from 2569 SE CT and we now close our front shades so we don't have to look at the massive house. Please keep our neighborhood nice.

Sincerely,

Christopher and Gloria
