Subject: RE: Plat No Objection - 880 SW 12th Ave, Pompano Beach

Good Afternoon Matt,

I have no objection to the proposed plat if the FPL distribution facilities are remaining overhead because they can remain in ROW.

Just keep in mind when the transformer location is determined for the new facility we will need an easement for transformer and cable from the pole to its proposed location.

Regards,

Steven Bhagwandat

Good Afternoon Steven,

I just wanted to follow up on this No Objection letter request for the proposed Plat for this project.

Please let me know if you have any questions, thank you.
