12 PM
NOON

This 3D architectural rendering shows the building at noon. The sun is high in the sky, casting short, dark shadows from the building and surrounding structures. The building's facade is clearly visible, showing its dark, textured panels and the white structural elements. The surrounding urban environment, including other buildings and streets, is also depicted in a simplified, white 3D style.

12 PM
NOON

A 3D architectural rendering of the proposed building at noon. The building is a tall, dark structure with a curved facade, situated on a plot of land. The surrounding area includes other buildings, streets, and a body of water. The rendering shows the building's shadow and its relationship to the surrounding urban environment.
