Summary Explanation/Background:

Our 30-year Franchise Agreement with Peoples Gas System has recently expired. The attached, proposed Franchise Agreement is for a 10-year period with two 10-year renewals.

People’s Gas will remit to City six percent (6%) of the company’s gross revenue, excluding any tax which company may derive, less any adjustments for uncollectable accounts, from the sale or transportation of natural

gas to customers within the corporate limits of the City. The City receives annual revenue from gas franchise fees of \$100,000-\$130,000.
