PLANNING

Plan Reviewer: Max Wemyss (max.wemyss@copbfl.com)
Status: Review Complete Pending Development Order

Notes / No Action Necessary:

- Land use for this parcel is Industrial, the zoning is I-1 (General Industrial). Warehouses & offices (as noted on the site plan) are listed as permitted uses in this zoning district.
- The property appears to be unplatted; however, platting would not appear to be required for the proposed development (expansion of the asphalt truck parking/loading area).
- Broward County Trafficways Plan requires a minimum of 106 feet on Racetrack Road (SW 3 Street); the civil plan (C-300) has been updated to identify a future right-of-way dedication of 13 feet along SW 3 Street (to be dedicated in the future, but not required with this application).
- The property abuts SW 13 Avenue & SW 14 Avenue. The survey indicates that there is an existing 30 feet of right-of-way measured to the centerline of the road on SW 14 Avenue and 35 feet of right-of-way measured to the centerline of the road on SW 13 Avenue. The requirement in Chapter 100 indicates that these streets must provide a minimum width of 60 feet in nonresidential zoning district, which is existing & no additional action is required by the Applicant.
- The city has sufficient wastewater treatment capacity to accommodate the proposal.
