Summary Explanation/Background:

This is staff recommendation for the City’s Annual Community Partnership and Sponsorship Program FY 2022 period: October 2021 -September 30, 2022.

Every fiscal year, the City makes recommendations to the City Commission to fund various nonprofit organizations as part of the annual Community Partnership and Sponsorship Program. Prior to entering into an agreement with each organization, the City has determined that these nonprofit organizations serve a valid public purpose and perform or provide a service(s) that is beneficial to the residents of the City of Pompano Beach. In addition, the City is currently not in a position to provide such services on its own, thus the City is expanding its services provided to the residents through these organizations.

The nonprofit organizations work to achieve the City's goals and objectives with programs or services that fall within our four (4) Funding Priorities: Workforce Readiness, Education, Senior Assistance and Community Events.

The City of Pompano Beach receives many more requests than it can support. When a request is denied, it does not imply that the applicant's program is not vital. It may mean that the request does not fall within our funding priorities/giving guidelines or that all charitable funds for the year have been allocated.
