Summary Explanation/Background:

In April 2017, the City of Pompano Beach (the "City") issued a solicitation (RFP No. L-28-17), Development & Implementation of a Citywide Corporate Marketing & Sponsorship Program. The selection committee selected The Superlative Group, Inc. (Superlative) to serve as the City's partner in exploring this initiative, a national firm that has been working on similar initiatives for over twenty (20) years, specifically specializing in working with municipalities and other local governments. In July 2017, the City Commission approved a Phase I contract with Superlative encompassing the following scope of services:

- 1. Development of a Marketing Asset Inventory and Valuation report, including an estimate of the potential sponsorship financial value;
2. Development of a proposed Comprehensive Sponsorship Policy; and
3. Development of a Strategic Plan for Marketing Assets, inclusive of a detailed plan to maximize the

corporate sponsorship potential for the City.

Staff is now recommending that the City Commission approve a Phase II contract with Superlative to primarily engage in sales campaign to identify potential sponsorship partners and negotiate contracts with these partners, generating a new source of revenue for the City. Please refer to the attached memorandum for additional information.
