(Staff Contact: Russell Ketchem)

Summary Explanation/Background:

This contract with Crowder-Gulf Joint Venture, Inc. is for disaster debris recovery services. The City published an RFP (#E-18-19) where Crowder-Gulf was ultimately awarded primary contractor. Due to the current Crowder-Gulf contract expiring on September 15th 2019, this contract includes an emergency double reading of the Ordinance by Commission. These services are critical to the city in the recovery effort after an event.

Origin of request for this action: Russell Ketchem

Fiscal impact and source of funding: None until contract is implemented to recover from a disaster.
