**Summary:**

The Applicant Landowner is requesting a Major Temporary Permit from the provisions of Chapter 155: Article 4 [Use Standards] and Article 5 [Development Standards] of the Pompano Beach Zoning Code in order to temporarily utilize a parcel for a sales center with associated parking and landscaping without complying with the applicable use and development standards as required by Code.

The property is located at the northeast corner of the intersection of A1A (N Ocean Blvd) and E Atlantic Blvd.

**PROPERTY INFORMATION**

1. The subject property, sometimes referred to as Oceanside Parcel “A”, is currently leased to the City for public parking. The property has entitlements for a 24-story building consisting of 77 dwelling units and 303 hotel units, as per rezoning Ord. No. 2006-38, in conjunction with Site Plan PZ #06-12000032 and Major Building Design PZ #15-12100040. The approvals have remained active through a combination of Interim Use Permits, City Resolutions, and tolling and extension of development orders via States of Emergency issued by the Governor through Executive Orders.
2. The applicant is seeking approval to temporarily utilize the northern portion of the site to erect a +/- 6,132 sq ft sales center, along with 17 parking spaces and associated landscaping. Access to the site will be from an existing curb cut along A1A. The ZBA has approved a number of Temporary Use Permits for sales centers on the barrier island in recent years.
3. The applicant’s narrative states the sales center will be required for approximately 12 months while the aforementioned development goes through building permit approval. The southern portion of the site is expected to remain as public parking, subject to an updated lease agreement between the City and landowner.
