(Staff Contact: Dr. Tammy Good/Christopher Schlageter)

Summary Explanation/Background:

This Master Plan update will assess existing (26) facilities as described in Walters Zackria Associates, Exhibit B, Work Authorization #3, document information including uses, demands, operation and maintenance procedures and to recommend suitable modifications, improvements, enhancements, additional uses and potential revenue-generating possibilities including concessions. Facilities to be analyzed include public parks, recreation centers, aquatic facilities, an amphitheater, and athletic sports fields. Each will be reviewed, and recommendations provided for improvements to existing facilities or potential new buildings and facilities to accommodate existing and future demands of the community and of the City’s Parks and Recreation system.
