**Summary Explanation/Background:**

Initiated by Florida Statute 553.791, it is the intent of the Legislature that owners or contractors pay reduced fees related to building permitting requirements when hiring a Private Provider for plan review and/or building inspections.

An analysis of our building permit fee schedule adjusting for Private Provider fees was performed by PMG Associates, Inc. providing a discount of approximately 3% for plans review and 3% for inspections. Should the applicant opt to conduct both functions, the discount would be 6% from our original fee schedule.
