### Summary:

The applicant is requesting Major Building Design approval in order to construct 40 residential units along with a tot lot, associated parking, and landscaping. The total footprint of all buildings is 31,788 square feet on a 116,331 square foot (2.67 acre) site, a total lot coverage of 27.3%. The site plan was reviewed by the Development Review Committee seven times since the original submittal in December of 2021. This is a resubmittal from the April 2, 2024 AAC meeting by the request of the Committee members. The applicant had postponed from the May 7, 2024 AAC meeting. The changes from the original submittal include grey stucco stripes as decorative details around the windows on the fronts and sides of the buildings.

The property is located on the east side of NW 27<sup>th</sup> Avenue between Atlantic Boulevard and NW 2<sup>nd</sup> Street.

Pursuant to Section 155.2205, Code of Ordinances, the Architectural Appearance Committee may require such changes in plans and specifications as, in its judgment may be requisite and appropriate to ensure that the exterior appearance of buildings and structures enhances the aesthetic character of the surrounding development by complying with the architectural appearance standards of this Code and approved design guidelines.
