Summary Explanation/Background:

Staff is seeking City Commission approval of a Highway Maintenance Memorandum of Agreement (HMMOA) with the Florida Department of Transportation (FDOT). This agreement is required as the City must assume maintenance responsibilities for sidewalk improvements at various locations once construction is complete. The project entails sidewalk and pedestrian ramp improvements on NE 6 Street, NE 4 Street and SW 6 Street (See Exhibit "A" - Sheets 6-11). All costs to design and construct said improvements will be borne by FDOT.
