Summary Explanation/Background:

The applicant is requesting to rezone the property from RM-20 (Multiple-Family Residence 20) to RM-45 (Multiple-Family Residence 45) in order to develop a mixed-use project with up to 129 units that will be deed-restricted for affordable workforce housing. The property to be rezoned constitutes only a portion of the project acreage, is a 1.17-acre site and is located west of South Dixie Highway, on the north & south sides of SW 11th Street. The property is currently vacant. The applicant has concurrently submitted an application requesting Flexibility Units (P&Z: 18-05000002) and an Abandonment Application (P&Z: 18-18000003) for SW 11th Street, both of which are also on this agenda. This rezoning request was recommended for approval by the P&Z Board at their August 22, 2018 meeting with a 6 to 1 vote. The vote included three conditions that had to be met prior to placement on this agenda. All conditions have been met through the submittal of a Voluntary Declaration of Restrictive Covenants, which must be executed by the day of the City Commission second reading (see unexecuted copy attached).
