Summary Explanation/Background:

Staff is seeking City Commission approval of an Ordinance to enter into a Construction Manager at Risk (CMAR) contract with Burkhardt Construction, Inc. (BCI) to assist with proposed improvements on State Road A1A from Terra Mar to Hillsboro Inlet (see Location Map). This is one of the approved General Obligation (G.O.) Bond projects. BCI is expected to provide pre-construction services (to be awarded at a later date). During pre-construction, BCI will work with the City's design team in the preparation of construction plans; assist with value engineering to meet our budget for this project; secure bids from qualified contractors for various project activities; and help prepare a Guaranteed Maximum Price (GMP) proposal for City Commission approval. The GMP will be presented to the City Commission at a later date as well.
