Summary Explanation/Background:

Staff is seeking City Commission approval of an Ordinance to enter into a Construction Manager at Risk (CMAR) contract with Kaufman Lynn Construction, Inc. (KL) to assist with proposed interior improvements to the existing Public Safety Complex (see Location Map). This is one of the approved General Obligation (G.O.) Bond projects. KL is expected to provide pre-construction services (to be awarded at a later date). During pre-construction, KL will work with the City's design team in the preparation of construction plans; assist with value engineering to meet our budget for this project; secure bids from qualified contractors for various project activities; and help prepare a Guaranteed Maximum Price (GMP) proposal for City Commission approval. The

GMP will be presented to the City Commission at a later date as well.
