**Summary Explanation/Background:**

The City awarded a contract to Crowder-Gulf Joint Venture, Inc. for disaster debris removal, hauling, disposal, and recycling for a one (1) year period, commencing on September 16, 2014, and at the City's discretion and with consent of the Contractor, four (4) additional one (1) year extension periods follow pending City Commission approval. It is requested the City Commission approve the third (3rd) extension to the contract under the terms of the original contract and second amendment. The services provided under this contract will enable the city to expedite removal and disposal of hurricane debris and provide other related services as needed. The City must establish this contract prior to a storm to ensure reimbursement from FEMA.

**Origin of request for this action:** Russell Ketchem

**Fiscal impact and source of funding:** No Fiscal Impact until Activation of Contract Due to Event.
