**Summary Explanation/Background:**

The State Statutes (§70.20) allows for governmental entities to enter into relocation and reconstruction agreements for existing signs. The applicant, Clear Channel Outdoor, Inc, is requesting to execute a Relocation and Reconstruction Agreement, to demolish 5 Billboards. Four of the billboards are located along North Dixie Highway, near the Copans Road intersection (see map attached). The other billboard is on the west side of I-95, between SW 12th Street and SW 11th Street, and will be replaced with a new single-face monopole structure with an electronic changeable message display. In addition to the removal of 4 non-conforming billboards, the agreement offers opportunities for the City to display emergency notification messages, public service announcements and receive an annual payment for neighborhood enhancements
