Summary Explanation/Background:

Development Services Department is seeking to enter into a Developer's Agreement with Costco Wholesale Corporation in order to allow the vertical construction of approved development (PZ #17-12000023 | BP #18-407) prior to Broward County approval of an easement vacation. The Agreement would allow for the development of a new gas station over a platted utility easement during the County's vacation process. City has already abandoned that portion of the utility easement located under the proposed gas station canopy via Ord 2018-35 (Feb 13, 2018).

Origin of request for this action: Development Services Department and Costco Wholesale Corporation

Fiscal impact and source of funding: N/A
