Summary Explanation/Background:

The owner of the property located at 601 N. Federal Highway, the Karam Family, LLC., has filed several applications in order to develop a six-story building with one, two and three-bedroom units, structured parking, ground floor lobby, interior courtyard and residential amenities. The site area is approximately 130,494 square feet (2.996 acres), and currently has a retail plaza located on the property. The property was never platted. One of the conditions of the site plan development order is to record a plat prior to building permit approval. This request is for a new plat that will be restricted to 327 mid-rise units and 10,000 square feet of commercial use. It is generally located on the northwest corner of N. Federal Highway and NE 6 Street. This property is currently zoned Transit Oriented (TO) / East Overlay District (EOD). This Plat was unanimously recommended for approval (see attached Minutes) at the June 27, 2018 P&Z meeting (see attached P&Z Memo 18-023). A Site Plan for this development was approved at the May 23, 2018 Planning & Zoning Board hearing (see attached D.O. No. 18-12000005).

Origin of request for this action: Michael Vonder Meulen of Keith & Associates, Inc. on behalf of the Karam Family, LLC.
