**Summary Explanation/Background:**

It has been determined that it is in the best interest of the City to finance the acquisition of certain equipment for the Fire, Parks & Recreation, Solid Waste and Public Works functions via lease-purchase financing. After soliciting proposals from several banks, it has been determined that Banc of America Public Capital Corp. is providing the best terms to finance the acquisition of capital items over a 5 year term, at a fixed interest rate of 1.78% via a bank qualified tax-exempt lease.
