4. A Major Temporary Use Permit for essentially the same request as this application was previously approved by the ZBA in 2019 (PZ: 19-15000016). The applicant has filed this additional Major Temporary Use Permit application in order to continue operations during the final phase of the project.

## TEMPORARY USE PERMIT REVIEW STANDARDS

Temporary Use Permit shall be approved only on a finding that the temporary use as proposed:

1. Is on its face temporary in nature;
2. Is in harmony with the spirit and intent of this Code;
3. Is not detrimental to property or improvements in the surrounding area, or to the public health, safety, or general welfare;
4. Does not have substantial adverse effects or noise impacts on any adjoining permanent uses or nearby residential neighborhoods;
5. Is compatible with any principal uses on the site;

6. Is located on a site containing sufficient land area to allow the temporary use and associated structures, and accommodate any associated parking and traffic movement, without disturbing environmentally sensitive lands; and
7. Complies with all applicable use-specific standards in Section 155.4403.

**Staff Conditions:**

Should the Board determine the applicant has provided competent substantial evidence sufficient to satisfy seven Major Temporary Use Permit review standards, staff requests the Board include the following condition as part of the Order:

1. Substantial compliance with the approved Site Plan (PZ: 17-12000057), and obtain final zoning compliance and building permit approvals prior to the expiration of this approval.
