**Summary Explanation/Background:**

The proposed changes in the Ordinance are consistent with the proposed Collective Bargaining Agreement with

the Federation of Public Employees. If approved, employees who are currently in the Tier II Pension Plan will be moved in to Tier I retroactively. Additionally, DROP will be extended from 5 years to 8 years and employees in DROP will be allowed to utilize accrued sick and vacation time, earned while in DROP, towards their VEBA account. The schedule of annual payments in DROP will also be modified, but not the amount. The impact of the pension changes is \$1.02M; however, this cost is offset by the savings (\$1.24M) from not having a Cost of Living Increase (COLA).
