### **Capital Group Developments To Be Recognized**

Mayor Lamar Fisher will recognize Mario Caprini, President and CEO of Capital Group Developments, regarding a home being built on a lot designated for affordable housing. Capital Group built the “Modernista” home located at 4620 NE 18<sup>th</sup> Avenue using the latest in green building technology. It is one of seven homes Capital Group is building in Pompano Beach as part of a city program to revitalize neighborhoods and promote affordable housing.
