Summary Explanation/Background:

RFP E-02-17 was issued to establish a contract to provide a canal cleaning boat with trailer for the City's Solid Waste Department. City Commission approval of the ranking order presented by the Selection/Evaluation Committee is requested, and authorization is requested for appropriate City staff to negotiate a contract with the highest-ranked firm, Elastec, Inc. Further authorization is requested to continue negotiations with the succeeding ranked firm should an impasse occur in the negotiations with the recommended firm. The General Services Department performed outreach to local boat manufacturing companies to inform them about this project. A total of five (5) local companies were notified. This solicitation was assigned a voluntary 15% Local Business participation goal and a 15% Small Business Enterprise (SBE) participation goal; the recommended proposer has not indicated SBE or Local Pompano Beach Business participation.
