Special Recognition to the City of Pompano Beach

The Employer Support for Guard and Reserve (ESGR) recognizes employers who have continually supported their employees who serve in the United States military. ESGR recognized the City of Pompano Beach and Pompano Beach Fire Rescue for its long history of supporting employees serving in the military, both active and reserve. In attendance for this recognition were Master Sergeant Daron Davis and Private First Class Sam Durda, who not only worked for the Pompano Beach Fire Department, but proudly served in the United States military.
