Summary Explanation/Background:

Early Learning Coalition of Broward County: Child Care Match Program - \$20,000 to be used as part of the required match funding to reimburse child care centers and child care home facilities that provide care to low income children and families in the City of Pompano Beach eligible for child care subsidies. This organization is part of the Non-Profit Community Partnership and Sponsorship Program.

The City of Pompano Beach supports a variety of nonprofit organizations with a special emphasis on those that work to achieve our goals and objectives and highlight our rich cultural make-up as a community, in particular, those that support workforce readiness, education, senior assistance and/or community events; and those that provide services to the community not provided by the City.

Due to the number of requests the City of Pompano Beach receives, these funding priorities are meant to assist organizations in understanding the City's nonprofit focus areas. The proposed project, program, event and/or in-kind donation must focus on one of the four (4) Funding Priorities: Workforce Readiness, Education, Senior Assistance and Community Events.

The City of Pompano Beach receives many more requests than it can support. When a request is denied, it does not imply that the applicant's program is not vital. It may mean that the request does not fall within our funding priorities/giving guidelines or that all charitable funds for the year have been allocated.
