### **Summary Explanation/Background:**

The Applicant, Robert Sherman., on behalf of the Pompano Beach Community Redevelopment Agency, is requesting Flex Allocation approval for a maximum of 14 units in order to develop a 14-unit multi-family/townhouse project. The property is 300 NW 31st Avenue and is located on the northeast corner of NW 31st Avenue and NW 3rd Street, and is currently vacant. The applicant proposes to develop 14 multi-family units on property that has a Commercial land use designation. The zoning designation of B-3 allows the multifamily residential use, as long as Flex allocation is approved to provide the residential entitlements. The applicant has submitted a conceptual site plan (Exhibit B of the Resolution) showing a variation of 2 - story units. A site plan has been submitted for this project and was reviewed by the Development Review Committee on April 3, 2019, and by the Architectural Appearance Committee on August 4, 2020. There are three other Flex Requests related to this application on this agenda.

On December 16, 2019, the Planning & Zoning Board unanimously recommended approval of this request, subject to the following conditions: 1) Prior to site plan approval the Applicant shall determine the preferred approach to meeting the affordable housing requirement pursuant to Section 154.61(E) Planning by either: providing an agreement to provide affordable housing units or by providing an in lieu of fee in accordance with Section 154.80; 2) Any future site plan submitted for this project shall be substantially conforming to the submitted conceptual site plan with any amendments needed to comply with the zoning code and other relevant city codes; 3) Amend the subject plat to move the NVAL in accordance with the conceptual site plans at time of site plan approval. Note on the conceptual plans that the NVAL location is pending plat note amendment; 4) If a building permit is not issued within two years from the Resolution's approval date, then the approval of this Flex allocation shall become null and void. All four of these conditions have been incorporated into the proposed resolution for this request.

Additionally, the applicant has held neighborhood meetings prior to this City Commission hearing and received the support of the Greater Collier City Civic Association.
