On March 27, 2020, the Coronavirus Aid, Relief and Economic Security ("CARES") Act was signed into law, providing over \$2 trillion in economic relief to assist with the impact of the COVID-19 pandemic, \$8.3 billion of which was allocated to the State of Florida. Based on its population, Broward County qualified for a direct payment allocation and received \$340,744,702 in funding from the Department of Treasury under the Coronavirus Relief Funds program, Catalog of Federal Domestic Assistance ("CFDA") No. 21.019. On August 25, 2020, the Broward County Commission unanimously approved allocating \$102.3 million of its \$340.7 million allocation to the 31 cities/towns in Broward County to be utilized to reimburse for eligible costs within various eligible categories.
